CONTRIBUTING GIFTS OF STOCK TO MISSOURI S&T

To ensure your transaction is completed properly, please contact the Missouri S&T development office prior to transferring shares of stock.

TO ELECTRONICALLY TRANSFER STOCK TO MISSOURI S&T

Your broker can electronically transfer shares of stock to the University of Missouri. You will need the following information to complete the transfer to our account:

Pershing & CO
DTC Participant #**0443**
University of Missouri Account #**N7M-001061**
Donor's Name

If you need technical assistance when completing this transfer, please contact Ms. Susan Burns at **(573) 884-3105** or Mr. Brian McNamee at **(573)882-2316** in the Office of the Treasurer at the University of Missouri.

TO MANUALLY TRANSFER STOCK TO MSM-UMR

- A. To give Missouri S&T an entire stock certificate:
1. Obtain and complete a stock power agreement (available at any banking institution) and have your signature guaranteed. If requested on the form, please identify that you assign the shares to the "***Curators of the University of Missouri.***" If a tax identification number is requested, please use the following: **43-600-3859**.
 2. Mail the stock power and the stock certificates to Missouri S&T in two SEPARATE envelopes to the address below to ensure if one envelope is lost, the stock is not negotiable.

Development Office (Telephone: 800-392-4112)
MISSOURI UNIVERSITY OF SCIENCE AND TECHNOLOGY
209 Castleman Hall; Rolla, Missouri 65409-0460

- B. To give Missouri S&T a portion of a stock certificate:
1. Obtain and complete a stock power agreement with your signature guaranteed.
 2. Mail the stock power and the stock certificates to Missouri S&T in two SEPARATE envelopes to the address noted previously. Identify your return address and social security number and provide us with a letter of instructions stating the amount of stock you wish to transfer to Missouri S&T and the amount you wish to be reissued in your name. (It will take approximately 4 weeks to reissue the shares.)

NOTE: *The value of the stock gift will be determined by the average market value on the day the stock gift was given (i.e., the day the stock was electronically transferred to the Dreyfus account or the day it was mailed as defined by the postmark date).*
